Accounting Seed Package: Smart Flow
Accelerate your journey to Salesforce success
with the Salesforce Partner you can trust

brysa

brysa

Of Spanish origin meaning “Breeze”.
A Personalisation, Operational automation,
and Salesforce modernisation company.

Our Expertise

At Brysa, we specialise in enabling organisations to unlock the full potential of Salesforce. Our quick start packages are designed to help you get up and running swiftly and cost-effectively.

Our Approach

We understand the importance of seeing a return on your investment quickly. Our structured methodology eliminates the uncertainties often associated with traditional engagements.

Our Promise

Exceptional quality, tailored to your needs, delivered on time and within budget.

Connect finance across your entire business on one system sharing the same database with **Brysa Accounting Seed Package: Smart Flow**

The ideal tool for organisations looking for the ultimate catalyst for their accounting operations to move towards financial efficiency and total control.

Completed implementation with a fixed cost.

Ongoing support to ensure staff training for long term success.

£3,000 excl Tax

What is not included?

While our package is comprehensive, some elements are **outside the scope**.

However, for these additional features, our team can work with you to create custom solutions.

Features that are not a part of our Quick Start Package:

- Advanced customisations (e.g. Apex, Visual Force or Lightning Components)
- Integration with external systems
- Marketing Configurations Price Quote (CPQ), Service, Field Service, Experience Cloud, or Agentforce features
- Multiple record types
- Security: Territory management
- Data cleansing
- Technical documentation/customised user guide

Prerequisites

To ensure smooth
implementation, we
require

Signed Statement of Work (SoW) with **Brysa**.

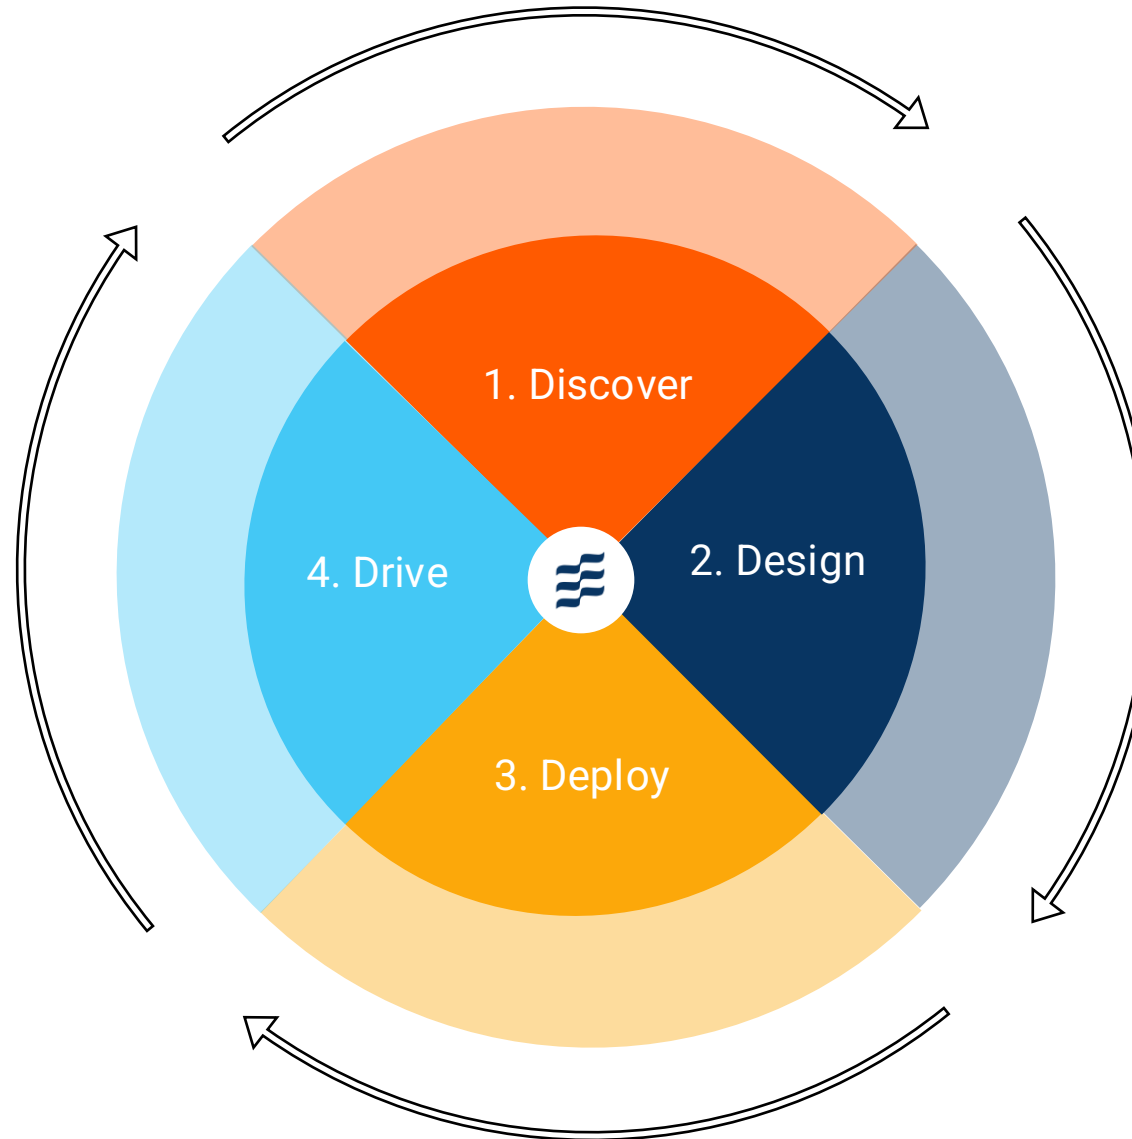

A new, clean Salesforce instance with appropriate licences.

Clean data, provided in the right format.

Process

The Brysa Way

As trusted Salesforce experts, Brysa is committed to delivering excellence.

Our experienced consultants coupled with a client focused approach make us the partner of choice for organisations looking to achieve Salesforce success.

We call this the
Brysa Effect.

Automated operations.
Systems harmonised.
Technical debt reduced.
And employees in **flow**, embracing
an AI-powered world.
